

Swimming Pool Barrier

I / We

Being the owners of

I/We wish to confirm that the construction/installation of the swimming pool safety barrier is

Part of the pool builder's scope of works and has been included in the contract and warranty insurance.

I/We wish to confirm that the construction/installation of the swimming pool safety barrier will be our responsibility and furthermore the works will be undertaken by –

A Registered Builder
(If works exceed \$16,000 Warranty Insurance will need to be provided by the builder and a copy supplied to CFL, if works exceed \$5,000 a Major Domestic Building Contract is required and a copy supplied to CFL)

Owner Builder
(If works exceed \$16,000 an owner builder certificate of consent must be obtained from the Victorian Building Authority and a copy supplied to CFL)

Total cost of swimming pool safety barrier construction/installation including GST is:

\$

I/We understand that the temporary pool barrier must remain in position until the permanent pool safety barrier is completed and compliant to AS 1926.1
